Personal profile

I am someone who cannot sit still. I work very hands-on, and I am very active. I like to get to know different kinds of people, and I am very observant. I am creative when it comes to art, but also when it comes to problem-solving.

Work experience

May 2018 to March 2019: Employee at "De Dokter" in Hilversum. (Hospitality)
April 2019 to December 2019: Employee at "Su" in Hilversum (Hospitality)
January 2020 to July 2020: Employee at "Hema" in Utrecht (Hospitality)
February 2022 to July 2022: Employee at "Teleperformance" (Corona call centre)

Education.

2014 to 2021: HAVO "Axia College" Amersfoort. (Diploma earned)
2021 to 2022: MBO Mediavormgeving "ROC Midden Nederland"
2022 to heden: HBO Game Art "HKU Games en Interactie"

Skills and qualities

I am someone who can and wants to work hard. I am good at finding solutions that come from a different point of view and have a keen eye for details. I can analyze a situation fast and react to it. I am very punctual and trustworthy.

Interests and hobbies

Ever since I was a kid, I have loved playing video games. I have a passion for movies and music, and I play both the electric guitar and bass. I like to cook, but love to eat even more. I live an active life that switches between working out, studying, and partying. I'm obsessed with art, that's why I'm currently studying Game Art at the HKU. Want to see more?
